PUBLIC TECHNICAL DATASHEET

SKU: PRS-3021 | v1.0.0-pilot | EN

Etternity Dermal S.L. | Madrid, Spain

CirclEyeComplex

Line: Retail Skincare | Home Care | Presentation: 15 ml eye contour emulsion (confirm final carton/airless spec with Technical Direction)

Targeted dermocosmetic eye contour formulation designed to improve hydration, luminosity and the appearance of fine lines, puffiness and dark circles.

KEY ACTIVE INGREDIENTS

- Citrustem(TM) (Citrus aurantium dulcis callus culture extract) - supports extracellular matrix organization and smoother skin appearance.
- Tens'Up(TM) - botanical tensor complex delivering an immediate smoothing effect.
- Horse Chestnut Extract (Aesculus hippocastanum) - cosmetic support for periocular microcirculation appearance.
- Aloe Vera, Rosehip Oil & Argan Oil - intensive soothing hydration and lipid barrier nourishment.
- Vitamins A & E - antioxidant protection against oxidative stress.

COSMETIC / CLINICAL INDICATIONS

- Appearance of periocular fine lines and early expression lines.
- Visible signs of eye fatigue, puffiness and uneven tone around dark circles.
- Daily maintenance around professional aesthetic eye-contour protocols.

PUBLIC APPLICATION OVERVIEW

- Apply morning and/or evening onto clean, dry periocular skin using gentle circular fingertip massage until absorbed.
- Avoid direct contact with the ocular mucosa. For distributor regulatory dossiers or clinic protocols, request controlled professional access.
