PRESSENSA®

Quality Dermal Solutions

INTERNATIONAL DISTRIBUTOR DOSSIER

Spanish Dermocosmetics & Aesthetic Medicine Laboratory | Etternity Dermal S.L. (Madrid, Spain)

Edition: EN | Official Corporate Reference | export@pressensa.com

1. LABORATORY HERITAGE & POSITIONING

Pressensa is the clinical dermocosmetic and aesthetic medicine brand developed by Etternity Dermal, S.L. (Madrid, Spain) since 2014. Operating under Applus+ certified ISO 9001:2015 (EC-12138/25) and UNE EN ISO 22716:2008 cosmetic GMP (BPF-0024/25) standards, our portfolio bridges cabin treatments and daily home-care regimens across Europe, MENA, CIS, Asia and Latin America.

2. PRODUCT ARCHITECTURE (7 OFFICIAL LINES)

01 Professional Cosmetics | 02 Microneedling | 03 Meso Cocktail | 04 Peeling | 05 ExoCell Exosomes | 06 Dermal Filler | 07 Skincare Retail (Home Care). Full technical dossiers and regulatory files are shared directly with qualified distributors upon evaluation.

3. GLOBAL TERRITORY & EXPORT LOGISTICS MODEL

18 confirmed exclusive territories across MENA, Europe/CIS, Asia and LATAM (all inquiries routed confidentially via Exportacion). Priority open territories include Switzerland, Norway, Turkey, GCC open states, LATAM, North America, APAC and Africa. Standard international orders operate Ex-Works (EXW Madrid) with distributor pickup; optional export freight can be quoted and invoiced separately.

4. HOW TO APPLY FOR EXCLUSIVITY

Submit your company profile at https://www.pressensa.com/en/become-a-distributor or contact Exportación directly at export@pressensa.com with your target territory, current portfolio and regulatory registration capabilities.
